State Football Champions Class A
1963-'64

Dedication

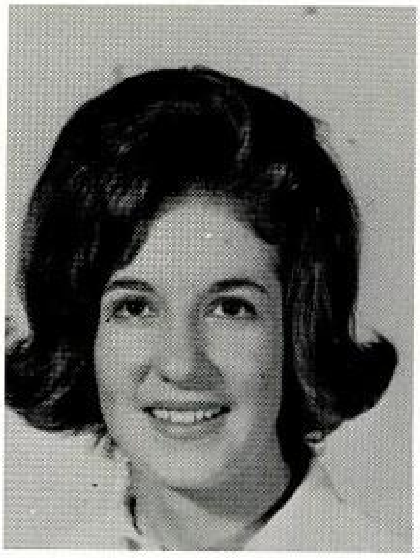

We, the annual staff, dedicate this, the 1964 Buffalo, to our new head football coach, L. A. Noles. To most of the students, he is more than just a coach and teacher; he is everyone's friend. He probably will never know how much we all appreciate his interest in us or his ever-present readiness to help us in anything we try to do. His cheerfulness and friendly encouragement for others mean so much to those around him. May we wish him the very best that life has to offer.
